

Snow Day Qualifications

Average Snow Fall

In Summit County, OH it takes an average of

6 inches for schools to cancel

Dangerous Road Conditions

After inches of snowfall, side roads may be bad, yet dangerous main roads lead to a greater chance of a snowday

Low Temperature/Windchill

When temperatures are near or below zero or the windchill is below -10, schools are almost guaranteed to call off or be delayed

Icy Sidewalks

Ice covered sidewalks can make it dangerous for those who walk to school, pressuring schools to call off
